

Ranco Energy Group, based out of Mumbai, is in the business of **Project Management, Facilitation & Development** in the field of –

1. Upstream Exploration & Production
2. Fuel Trading, Facilitation & Procurement
3. Marketing & Product Development
4. Infrastructure Development – Ports / Cold Storage & Warehousing

Ranco Energy Group was incorporated in August 2005 and it has a team of technically competent & qualified professionals across group companies. It has built a select group of satisfied clientele in the **Energy, Mining & Infrastructure (EMI) business in India** and has helped them expand their markets and get new customers. Ranco works with vertically integrated EMI companies in executing new projects and providing them value - added services in India. The group is known for its focus and integrity and works with clients closely to build up their value chains.

Ranco Energy Group signed two **MoUs** with **Govt. of Gujarat** in the recently concluded **Vibrant Gujarat Summit 2013**. The MoUs were signed with **GMB & GICC (under GIDB)**, to develop an **Integrated Port-Cum-SEZ Project** and **Cold Storage & Warehousing Projects**, respectively in Gujarat.

Ranco has entered into an MoU with **Gujarat Maritime Board (GMB)**, to develop an **Integrated Port-cum-Upstream Petroleum SEZ Project** in the state of Gujarat, with the following **objectives**,

- a) Set up a Port-cum-SEZ for the EMI sectors and a dedicated supply base for the same, where heavy equipment and pre-fabricated structures have to be imported for execution of Mega-EMI projects. A part of the port infrastructure will also be dedicated to facilitate imports & transshipment of **Coal** for satisfying the requirement of power generation sector.
- b) Attracting manufacturers of equipment, tools and inputs, for EMI (including Oil & Gas, Mining and related infrastructure) sectors, for setting up their units.
- c) Making **Gujarat** and India a hub and a one-stop shop for Manufacturing in Oil & Gas sector in particular and EMI sector in general.

Ranco Group has also entered into an MoU with **Gujarat Industrial Corridor Corporation Ltd. (GICCL)**, to develop a chain of **Cold Storage & Warehousing Projects** within the DMIC zones, demarcated & facilitated, under the aegis of **Gujarat Infrastructure Development Board (GIDB)**.
